WORLD NEWS IN REVIEW

CONSERVATION

It won't be in the headlines but few thinking persons would deny that it is as imperative as most items we read there—the period March 7 to 14 has been set aside for the observance of Conservation Week in California. Not that observance alone is important. The real significance lies in the fact that schools, radio and exhibits will be contributing to public education on forest fire prevention, recreation, wildlife and soil conservation and other phases of the broad conservation problem.

PITIFUL SPAIN

When the world has a more pitiful tragedy to contemplate than the plight of modern Spain, civilization will have need to wonder if barbarity has not engulfed us. Significant is the fact that British and French governments have pled with Generalissimo Franco not to exercise wholesale vengeance. When such a plea is necessary, little hope can be held for the common man. Starved, homeless, hopeless most of Spain's population faces a fate even more bleak, now that Franco has temporarily won.

NUMBER

If numbers are significant, California should be reaching an all-time high in legislative accomplishment.

When the Legislature adjourned at midnight, Wednesday, nine hours past the actual time set for the closing, a total of 3995 bills had been introduced in the Senate and the Assembly to set an all-time high mark.

At the 1913 session, 3933 bills had set the previous record. Counting the proposed constitutional amendments and resolutions, the measures total more than 4000 and will probably exceed this figure by another 200 bills before the final adjournment of the Legislature.

CATASTROPHE

The rich farm and coal region of South-Central Chile lies devastated by an earthquake that took a heavy toll of lives, with 10,000 persons reported killed in Chillan alone.

Martial law was proclaimed in the entire region to prevent looting. Property damage was said to be heavy and several small towns and villages were reported to have been wiped out.

SAN MATEO BRD. HOLDS UP GANS PLEA FOR $1350

Supervisors Make Three Other Decisions At Session

Health Director Charles C. Gans' program of consolidating all municipal health units with the county service, hit its first snag at Tuesday's meeting of the board of supervisors when he asked for $1350 to employ two full time food and sanitation inspectors in the enlarged area under county jurisdiction.

"It's putting the cart before the horse to spend money in the incorporated cities before the county has a contract with the cities," Assistant District Attorney Daniel E. Sullivan told the board.

Must Have Contracts

"The county hasn't any right to do any work in the cities until it has a contract whereby the cities agree to pay for the health services within their limits.

"First of all, the county should contact the city councils and determine what they are willing to pay for the service. Otherwise the county will not be getting any return for its investment."

Dr. Gans asked the appropriation for the health department's salary fund to enable him to make a present part-time inspector full time, and appoint an additional inspector.

Other Highlights

Other highlights of the supervisor session were:

1. Executive Fred Peterson was requested to begin an immediate study of the problem of allocation of courthouse space after the annex is completed and to consider advisability of extending the lease on office buildings now housing the county engineer, to provide space for the county library.

2. The board expressed satisfaction with the proposed state allocation of $661,800 for purchasing rights-of-way for the El Camino Real widening project, and urged that actual construction be deferred until after the exposition year.

3. The board was informed by P. O. Harding, assistant to Colonel John H. Skeggs, district highway engineer, that the state has no intention of taking Ralston boulevard or the proposed extension of the boulevard from Belmont to a connection with the San Mateo-Hayward bridge, into its highway system.

Daly City Record

PUBLISHED EACH FRIDAY | DALY CITY, SAN MATEO COUNTY, CALIFORNIA, FRIDAY, JANUARY 27, 1939. | VOLUME 33, NUMBER 50

CARRIER SERVICE
Daly City Record subscribers now enjoy carrier service. Subscription rate has been changed from a yearly basis to 25 cents per month.

Princess Has First Birthday

Princess Beatrix, heiress of the House of Orange-Nassau and probably the future queen of the Netherlands, will celebrate her first birthday next Tuesday.

The royal infant is shown in the arms of her mother, Princess Juliana, while her father, Prince Bernhard, and grandmother, Queen Wilhelmina, look on.

Councilman Fahey Shows Improvement

Coucilman Jack Fahey, 338 Irvington street, was taken to Stanford hospital last week seriously ill. Attendants report that he has improved steadily and that his condition is now quite satisfactory.

Mr. Fahey is expected to be able to return home next week. His doctor advises complete rest for a few more days and requests that friends do not call until he has returned home.

Plan Strict Control Of Animal Rabies

Due to the continued occurrence of rabies, in animals, in San Mateo county and because the disease has reached a near epidemic stage in many counties in the State, Dr. Charles C. Gans announced that it has become necessary to extend the following order for 90 days from January 21, 1939, in an area in San Mateo county defined as follows:

"All incorporated areas and unincorporated areas functioning under the San Mateo County Department of Public Health and Welfare, and all incorporated cities who have signified their intention to comply with this order."

The order specifies that all dogs and cats within this area must be kept in close confinement, under leash or in a closed cage or paddock, on the premises of the owner, for a period of ninety (90) days beginning January 21, 1939, and ending April 20, 1939. Animals not kept in accordance with this order will be taken up and destroyed. Permits may be secured from the county health officer by dog owners desiring to use their dogs for herding stock. Dogs in this area which have been inoculated with approved Rabies vaccine during the present year may be allowed at large by the owner securing a permit from the county health officer. Dogs and cats in transit through the above are must be kept in the vehicle, on leash, and under absolute control.

This order is issued under authority of Section 2979a of the Political Code, Dr. Gans indicated.

Dry Spell Damages San Mateo Crops

The present dry spell, described by County Agricultural Commissioner Max Leonard as "the longest I can remember," is causing a serious situation for San Mateo county farmers, and will become acute if followed by heavy rains in the next two months, the commissioner said Wednesday.

Leonard surveyed the current crop situation due to abnormal weather conditions. His report mentioned—

Brussel sprouts: Due to lack of rain aphis have blighted many acres and caused sprouts to become so infected that growers are having a difficult time in supplying quotas for canning.

Peas: Weather ideal for planting, except that farmers, in the event of continued dryness, run the danger of lack of moisture to grow the crop. Heavy rains in the next few weeks would wash away many of the seedlings, but if the rain holds off, the plants will have sufficient growth to withstand the runoff.

The six and a half ton Bourdon bell in the carillon in the Tower of the Sun on Treasure Island, will swing 85 feet above the earth at the 1939 California World's Fair.

Make 1938 Report On Venereal Disease

In 1938 the reported cases of venereal disease in San Mateo county reached a new high according to figures released from the state office in San Francisco. There were 176 cases of syphilis reported and 86 cases of gonorrhea, as compared to 31 of syphilis and 80 of gonorrhea in 1937.

The situation is similar for the whole State of California. In 1938 there were 22,997 cases of syphilis and 16,732 of gonorrhea, and in 1937, 17,282 syphilis and 17,050 gonorrhea cases reported.

The state and county public health authorities explain that actually there is not such an increase in the venereal diseases, but that due to the wider application of blood tests more cases have been diagnosed and brought under treatment than in previous years. It has been possible in many cases to begin treatment in the very early stages of the disease when chances for complete cure are almost certain.

At the county clinics located at Daly City, Burlingame, Redwood City, Halfmoon Bay and the Community hospital at San Mateo a precautionary blood test can be obtained upon application during the clinic hours.

County Has New Homes

San Mateo county, which was one of the brightest spots on the FHA calendar in the year of 1937, forged ahead again in 1938 with an increase of 227.5 per cent over the preceding 12 months in new home mortgages accepted for insurance by the Northern California district office of the Federal Housing administration, according to figures released by D. C. McGinness, district director.

It is announced that 1117 new dwellings were accepted for insurance in San Mateo county during the year of 1938 compared with 491 during the year of 1937. In value, 1938 figures were $5,335,400 compared with $2,585,000 in 1937, an increase of $2,750,400.

A. J. BODIEN DONATES FLAG POLE TO PARK

A flagpole was donated to the recreation park at Acton and Brunswick streets this week by A. J. Bodien, superintendent of the Daly City water department. The flagpole was set up Tuesday.

Members of the Fathers Forum, Women's Civic club, and General Pershing and Crocker PTA's have promised to donate a flag. Suitable dedication ceremonies will take place soon, according to Jerry Hull, recreation director.

Set Tentative Dates For San Mateo Fiesta

Tentative dates for the San Mateo County Floral Fiesta have been set as September 21 to 24 inclusive, according to announcement by the San Mateo County Fair association this week.

At the same time, the association admitted there is a possibility the fiesta will abandon the pageant this year and substitute both afternoon and evening performances of the rodeo which drew heavy crowds last year.

Definite dates of the fiesta hinge mainly upon outcome of the proposed sale of Bay Meadows race track and setting of the track dates by the state racing commission, the association announcement said.

Predicts Six-Laned Bayshore Highway

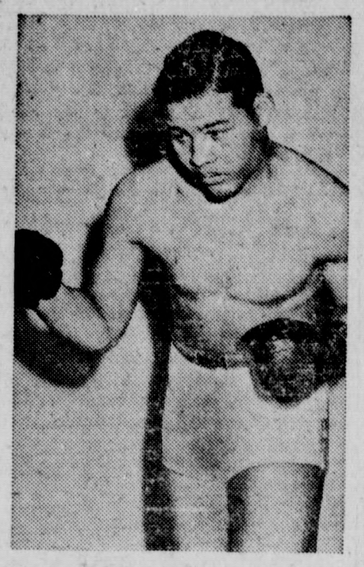
A six-lane Bayshore highway from the San Francisco county line to San Mateo within four years was predicted Tuesday by Colonel John H. Skeggs, state division highway engineer, who attended the two-county committee meeting in Mayor Angelo Rossi's office in San Francisco to discuss the Roos hospital plan.

Colonel Skeggs told the committee it would cost a million dollars every 10 miles to divide the highway, but said consideration would be given to traffic separation when the highway is resurfaced.

ROAD IS SINKING

He pointed out the road beds had been sinking badly in certain areas and would have to be resurfaced in the next two or four years.

Louis vs. Lewis



Heavyweight Champion Joe Louis, the much-feared "brown bomber," defended his title Wednesday night against John Henry Lewis, colored light-heavyweight champion, in what was scheduled to be a 15-round bout, at New York's Madison Square Garden. However, the fight ended in the first round.

Joe Louis chipped John Henry Lewis to pieces and defended his world's heavy-weight title successfully for the fifth time in 18 months, stopping the light-heavyweight champ in 2 minutes and 29 seconds.

County To Get Funds For Highway Work

San Mateo county stands to receive $1,041,800 in state funds for two major highway projects and improvements to Bayshore highway, included in the state highway commission's budget submitted to the legislature at Sacramento Monday.

The commission's budget allocated $661,800 for the purchase of rights-of-way for widening of El Camino Real from Broadway, Redwood City, to the Palo Alto line; $340,000 for the Tunitas to Lake Lucerne (San Gregorio) sector of the Ocean Shore boulevard; and $40,000 for replacement of four temporary wooden bridges on Bayshore highway between South San Francisco and Burlingame.

No Construction Funds

No mention of additional funds for construction work in the proposed widening of El Camino Real was made in the recommendations. The commission had been expected to include the entire project, estimated at approximately $1,250,000, in the budget.

The $661,800 allocation for El Camino Real caused mixed reactions among county officials, Redwood City officialdom and leaders of the widening campaign.

County Executive Fred Peterson said the county should be satisfied with the initial appropriation for rights of way, and advised against protests to the state for the entire amount this biennium.

In San Francisco, Colonel John H. Skeggs, state highway district engineer, said he was of the opinion that the $661,800 will be spent on acquiring rights of way, inasmuch as he had estimated the cost of the necessary land at more than that figure.

FORMER JEFF STUDENT TO RUN IN RELAY

Francis "Bud" Olson, former P. A. L. champion distance runner for Jefferson Union high school, will be on the mile relay team representing the San Mateo junior college in the indoor Pacific Athletic association meet tonight (Friday) in San Francisco. San Mateo won this junior college event last year and hopes to repeat this evening.

LOCAL CHAMBER OF COMMERCE COMMITTEES PLAN TO SECURE NEW DALY CITY IMPROVEMENTS

Grammar Pupils Can Attend Free Matinee

Already more than fifty grammar school boys and girls have received their tickets for the gala children's theatre party, tomorrow (Saturday) afternoon. The party is being sponsored by The Daly City Record with the cooperation of the Daly City theatre.

As a part of a circulation program, the local paper offers every boy and girl, who turns in a one-month, paid in advance subscription by Saturday morning, a free ticket to the theatre party. Subscription rate is only twenty-five cents per month.

The show will begin promptly at 1 p. m. The boys and girls who have been awarded tickets will see the complete matinee program. Features are "Stablemates," starring Mickey Rooney and Wallace Beery, and "Sharpshooters," with Lynn Bari and Brian Donlevy. In addition there will be a "March of Time" and a picture concerning refugees.

All youngsters interested in attending the theatre party free must turn in the name of a new subscriber by Saturday morning at the offices of The Record, 3317 San Jose avenue.

Councilmen Set Conference Date

Monday evening, February 13, was set by the Board of Councilmen for a conference with residents of the 10 block of Bellevue avenue and vicinity to discuss street and water improvements in that district. S. Perasso, 99 Bellevue avenue, and several neighbors sent a communication to the council Monday evening requesting that such improvements be given immediate attention.

By unanimous motion the council appropriated $153.55 for an office dictaphone layout in the new city hall. Councilman Sundermann was authorized to confer with county officials in an effort to secure a $500 county appropriation toward installation of traffic signals at Mission and Market streets.

Daly City Recreation department reported on activities under their supervision during the past six months. The report contained a proposal that the new city park, Acton and Brunswick streets, be named Selmi Park in honor of the mayor.

Cite Rapid Progress On D. C. Directory

With the enthusiastic and wholehearted cooperation of both business and civic leaders, the Daly City Directory is rapidly taking final shape. The eager and spontaneous help offered by local citizens, from the mayor to the man on the street, assures residents of a wealth of important, heretofore inaccessible information now gathered together in permanent and attractive form.

In addition to classified lists of all organizations, city departments, churches and other vital statistics, Daly City's first complete civic and business directory will contain numerous illustrations. Photography was begun this week.

Cover Attractive

Final form of the directory cover has now been decided. It will have a background tint of silver depicting a world's fair tower. Inside copy is rapidly being whipped into final shape. Information will cover everything from the legendary tales of the old Mission trails to the location of your nearest fire station.

The directory will be off the press sometime during the Fair Premiere in February.

Outdoor flower shops, brilliant with color, will form a spectacular contrast with huge exhibit palaces on Treasure Island at the 1939 Golden Gate International Exposition.

How quickly you can "put on the brakes" at the approach of danger, will be accurately measured at the 1939 California World's Fair by a reactometer as part of an auto driving test.

Transportation Plan Soon To Be Given Trial Work-out

FAIR PREMIERE HERE

Daly City Chamber of Commerce committees swung into high gear this week with a firm determination to secure services and improvements which are vital to the continued rapid and orderly progress of this community.

President A. J. Gaggero announced that reports of progress had been received from the transportation committee, credit bureau committee, and World's Fair premiere committee.

Mayor Paul G. Selmi, who has been an ardent proponent for improved transportation to down-town San Francisco and who heads the chamber of commerce transportation committee, announced that he has received the "go ahead" signal from San Francisco officials to run buses along his proposed route.

Mayor Selmi's plan provides for Daly City municipal buses to serve all sections of this community and to terminate in San Francisco at the western entrance of Twin Peaks' tunnel. Commuters would then board the letter cars and arrive at Fifth and Market streets only 30 minutes after leaving their homes.

Buses are to be secured within the next few weeks and trial runs will start immediately, reported Mayor Selmi.

CREDIT BUREAU

To establish a credit bureau in Daly City sponsored by the chamber of commerce and operated under the supervision of its board of directors was the conclusion reached at a lengthy committee meeting Monday evening.

Letters explaining the organization and functions of the proposed credit bureau were mailed this week to prospective local members. A survey is to be made immediately to ascertain the number of business houses which may wish to subscribe to the services of such a bureau.

"Such a bureau," pointed out Committee Chairman Crawford, "would be a distinct advantage to retailers and purchaser. Bad accounts would be avoided resulting in a savings for the business house, which in turn would be able to sell goods to reliable customers at a lower cost."

FAIR PREMIERE

Daly City will be a lively spot during the World Fair premiere, according to reports of the activity committee. A proposal has been made to arrange activities and decorations around an early Western theme. Chaps, ten gallon hats, and beards will be in order.

A whisker derby, gala theater party at Daly City theater, horse cavalcades, and dozens of other items are on the list of suggested activities.

Chamber of Commerce board of directors will meet Wednesday evening of next week. In addition to action on committee proposals, the board will consider the 1939 Chamber of Commerce budget, membership, community center proposals, and a plan whereby local merchants may make conservative combined prize and charitable donations and avoid individual solicitations.

"March of Dimes" Ends This Week

Throughout the country a great "March of Dimes" campaign has been in progress in connection with the national Infantile Paralysis drive for funds. It will close this week.

From every little hamlet and crossroads, from village town and city, a great flood of ten cent pieces is converging on various campaign headquarters and the White House in Washington, Keith Morgan, chairman of the Committee for the Celebration of the President's Birthday, declared.

Locally "March of Dimes" buttons are being sold. Everyone is urged to participate.

Launched by Eddie Cantor, famous screen, radio and stage star, the "March of Dimes" is progressing well, and a steady silver stream is pouring into headquarters, Mr. Morgan said. As with all other funds raised in the drive, half of this money will be returned to the locality from which it originated, to be used for treatment and prevention of the dread disease.

DEALERS EXTEND COMPLIMENTS TO NEW CAR BUYERS

Local Auto Agencies Are Doing Thriving Business

NEW RECORD FEATURE

A new hat is a big moment in any woman's life. A new suit makes Mr. John Q. Gentleman smile from ear to ear. New skates for junior bring a shout for joy. But—A NEW CAR is the occasion of a year (sometimes for several years) in the life of any family.

To make this occasion just a bit finer, The Record is starting this new weekly auto feature through which local automobile dealers may publicly congratulate new car buyers.

Belli Motor company, Mission street and San Pedro road, delivered Buick sedans this week to Eugene Vignati, 4482 Mission street, San Francisco, and Gerald DeMatei, Anchor Drug Store, Mission and Market streets, Daly City. Belli recently delivered four Chevrolet sedans, two coupes, three pick up trucks, two sedan deliveries, and two dump trucks to Cypress Lawn Cemetery.

M. J. Soldavini, manager of Belli Motor company, smiled over his sales book and declared, "My sincere congratulation to these new car buyers. They've bought good automobiles, and we have given them a friendly and sincere promise of excellent service."

National Auto company, 7350 Mission street, delivered four new Fords during the past week. To Albert Baireuther, 33 Presita avenue, San Francisco, went a de luxe coupe. Two door de luxe sedan was delivered to Charles F. Franklin, 3268 San Jose avenue. Mrs. Adaline Howard, Kentfield, California, purchased a convertable sedan, and Louis Risso, Colma, drove away a new pick up truck.

A. J. Bertini, genial manager of National Auto company, reported that Ford business was good this year. "Prices are down, sales are up. Customer satisfaction indicates that our service is good, and we hope for the pleasure of having business relationships with a still larger number of Daly City and Colma people."

Paul Laufenberg, partner of Donahue and Laufenberg, DeSoto-Plymouth dealers, 6259 Mission street, hastily thumbed his sales tags Wednesday and reported five sales during the past week.

Congratulations, he offered, to E. Johnson, 2116 Ocean avenue, San Francisco, who received delivery on a de luxe Plymouth sedan. Plymouth sedans were also sold to G. Molinai, 156 Raymond avenue, San Francisco, and Herbert Perasso, 811 Athens street, San Francisco. Mrs. C. Ernst, 1631 Twentieth avenue, and Edward Quast, 3212 Octavia street, San Francisco, purchased DeSoto sedans.

"These are only a few of the hundreds of satisfied customers with whom we have dealt in past months and years," declared Mr. Laufenberg.

For the first time in several weeks, O. C. Bartens, manager of Pantaleoni Brothers, Dodge and Plymouth agents, 7046 Mission street, was in a jovial mood when The Record representative stepped in to say hello—but who wouldn't be "in a huff" when new car orders had run weeks ahead of deliveries and customers were fairly knocking the doors down demanding their 1939 automobiles.

However, this week Dodges arrived in quantity from the factory, and ten brand new ones rolled off the floor to waiting customers as soon as they arrived. Two Plymouths went too.

Mr. Bartens extended congratulations to all ten new car buyers and assured them of more than excellent service from their automobiles. Dodge sedans went to George Hylander, 1587 Sanches street, San Francisco, John Orri, 203 Coleridge street, San Francisco, Roy Henry, 3376 Twenty-fifth street, San Francisco, Elizabeth Staples, 2898 Clay street, San Francisco, and Alfred Fregosi, 4834 Mission street, San Francisco.

Plymouth sedans were delivered to Vincent Mahoney, 1651 McKinnon street, San Francsico, and to Joseph Wuesterfeld, 136 Lawrence street, San Francisco. Alfred Fianinghi, 507 Columbus avenue, San Francisco, Webster Allen, Colma, and Glenn Lym, 1327 Josephine street, Berkeley, purchased new Dodge coupes. R. Machetti, 838 Acacia street, took delivery on a Dodge panel truck, and Fred Repetto, 301 Webster street, purchased a Dodge Express truck.

William J. Sweeney, Studebaker dealer, 6806 Mission street, and one of Daly City's oldest automobile agents, reported two recent sales to Daly City residents.

Congratulations on new sedans are in order for Andrew Vireno, 6198 Mission street, and R. J. Crane jr., 140 Woodrow street. "Style and mechanical improvements are the keynote in 1939 Studebakers," was Mr. Sweeney's summary in a conversation about the new cars.

A. L. Timosi, manager of Mission Auto company, Chrysler-Plymouth dealers, 6465 Mission street, reports that his sales have been above normal this year. "Chryslers and Plymouths are out in front in style, economy and performance," commented Mr. Timosi. "That's why our sales volume is big and our customers are always satisfied."

Production, Sales Figures Show Studebaker Gains

Production and sales figures for Studebaker on the Pacific coast during the last four months of 1938 show substantial gains over the previous eight-month period while factory schedule is set for even greater gains during 1939, according to C. K. Whittaker, president of The Studebaker Pacific corporation.

In the last four months of 1938 Studebaker produced and sold throughout the eleven western states 59.8 per cent more cars than in the first eight months of last year.

This same four-month period of 1938 showed a factory sales gain of 29.8 per cent above the same period in 1937.

"Even greater improvement for 1939 is indicated by our present factory production schedule which for the month of January will be 290.4 per cent greater than January 1938," Whittaker said.

Coast Plant

On February 20 Studebaker's Pacific Coast plant will be shut down for two weeks in order to rebuild the chassis assembly lines to greater length. This change will increase the plant capacity by 50 per cent. It is expected that production will be resumed by March 5.

Although Studebaker sales declined along with the entire industry during the first nine months of 1938, the story of Studebaker production activities in the West has been a story of remarkable volume increase.

The Pacific Coast plant was opened in November 1935. In December 1936 production capacity was doubled and a complete body assembly plant was placed in operation. Now, in February, 1939, as Studebaker starts its fourth year of production on the Coast, plant capacity is to be increased another 50 per cent. This means that in a period of a little over three years the Studebaker Pacific corporation will have increased its plant capacity to three times the amount originally called for in 1935.

Treasure Island Awaits Throngs of Visitors

On the eve of its opening, the Golden Gate International Exposition in San Francisco awaits the millions of sightseers who will visit its myriad wonders. The above photograph, furnished by A. L. Timossi, manager of the Mission Auto Company, Chrysler-Plymouth dealer here, pictures a new Chrysler Royal scout car with the Portals of The Pacific towering above it and the modern illumination standards that border the roadways of the island.

Poor Mrs. Dimwit

She was such a nice woman. And a smart woman, too. She had only one fault. Wherever or whenever she happened to get the urge to cross the street whether in the middle of the block or against a red light—it made not the slightest difference to Mrs. Dimwit.

When someone spoke to her about it she used to say, "I haven't been hit yet, have I?"

But that was before yesterday when she gambled on saving two seconds by crossing against a red light—and lost.

Do you think she was foolish? No more foolish than thousands of other people. Maybe **you** even cross against the red light, or in the middle of the block sometimes. The National Safety council points out that **two-thirds** of the people killed in city traffic are pedestrians.

In the long run, you'll save yourself more time by forming safe pedestrian habits. **Cross at the corner** and **with the traffic signal.**

SAN MATEO COUNTY TRAFFIC SAFETY COMMISSION

INDOOR RODEO SIGNED FOR S. F. WORLD'S FAIR

The first indoor rodeo in California was assured for the World's Fair on Treasure Island as Golden Gate International Exposition officials approved plans which call for one of the greatest rodeos this year.

With $30,000 for prizes and contracts, the rodeo will lure the cream of the 1939 Wild West crop to San Francisco. The show will run from May 12 to 22.

The Treasure Island rodeo will precede all western rodeos of the 1939 season.

Choose Oakland Man To Head Auto Assn.

Joseph R. Knowland, publisher of the Oakland Tribune and a member of the State Park commission, is the new president of the California State Automobile association, succeeding Francis Carr, Redding. Knowland's election for the 1939 term was voted by the board of directors of the motorists' organization following the annual meeting of the association last week. The new president has been a director of the association since 1927.

The annual report presented by Carr, president for the past two years, showed a net membership increase of 9,302 during 1938, bringing the total at the end of the year to 90,834. Rate of association growth, Carr stated, points to a total of 100,000 or more members by the end of 1939.

D. E. Watkins, San Francisco, was re-elected secretary and general manager for the twenty-sixth consecutive year. George Chalmers, San Francisco, was re-elected assistant secretary and general manager.

Whisker Question Perplexes Patrol

To raise a luxuriant crop of whiskers or not to, is the question perplexing Chief E. Raymond Cato and his officers of the California Highway patrol stationed at Sacramento.

The committee in charge of the Sacramento Centennial celebration during 1939, has decreed that every male resident must raise some sort of crop on his features.

Patterns for the information of citizens showing the score or more of whisker styles, ranging from light, wispy downy mustaches to frowsy, ferocious looking miner's all over style whiskers, have been submitted to Chief Cato to select from and approve for his traffic officers.

To date he has held out against the California Highway Patrol traffic officers raising fancy and tricky beards and mustaches.

"Our officers must always appear neat and clean shaven," said Chief Cato to the 'Whiskerino' group at Sacramento. "It might be disastrous for some of our officers to raise fierce looking whiskers and then, late some night, stick their faces into some automobile they have stopped; it might frighten the day lights out of some lady who did not understand what the local committee has required."

DONALD WECKERLE BAPTISED

Donald Charles Weckerle, infant son of Melvin and Marcia Weckerle recently of Acton street, now of Burlingame, was baptised in St. Catherine church, Sunday morning of this week. Father Murray officiated.

The godparents were Miss Thais Weckerle and Frank Courts.

A reception was held at the home of the grandparents, Mr. and Mrs. Courts, Bayswater street, Burlingame. Another reception will be held at the home of Mr. and Mrs. Charles Weckerle, the other grandparents, in Calistoga, next Sunday.

Hiway Patrol Chief Answers All Traffic Questions

Chief E. Raymond Cato, California Highway Patrol, each week conducts a traffic question-and-answer column. The public is cordially invited to submit their queries to the chief at Sacramento. Answers to the letters will appear at an early date.

Following are this week's questions and answers:

Q—My 17 year old son is employed as a clerk for a nearby store and in the course of his employment occasionally drives a small delivery car when taking orders to customers. As he is not 18 years old and cannot secure a "chauffeur's" license, is there some special permit he may secure so as not to lose this much needed income? Mrs. A. L. G.

A—If your son's employment is such that he only occasionally uses a motor vehicle for delivery purposes and he is paid for doing work other than that of a chauffeur, then he does not require a "chauffeur's" license.

Q—Is there such a thing as a 5-mile speed limit in California—and where? A. T.

A—Yes. The Department of Public Works may establish such a speed limit of 5 miles per hour, after a hearing, and it is determined that any bridge or elevated structure constituting part of a highway, is not able to withstand loads carried over them at a speed in excess of that named.

Q—Is there any law prohibiting a garage mechanic from using a car for his own pleasure or convenience in the absence of permission from the car owner who has left the vehicle there for storage only? J. T. I.

A—This is a serious offense and the California Vehicle Code prescribes a fine of not exceeding $1,000 or not exceeding one year's imprisonment in the county jail or both.

Q—Are the riders of horses and bicycles subject to provisions of the California Vehicle Code? W. W.

A—Sec. 452 of the Vehicle Code states that every person riding a bicycle or riding or driving an animal upon a highway is subject to the provisions of the general traffic laws, except those which by their very nature can have no application.

Q—I am much confused regarding this matter of clearance lights. I have a small house trailer and one person says I must have clearance lights placed on it and another says it is not necessary. It measures 81 inches in width and weighs about 1,000 pounds. Miss E. McD.

A—A trailer coach under 80 inches in width is required to have one clearance light on each side near the rear, and if over 80 inches in width, the trailer must have two clearance lights on each side, one near the front and one near the rear, the same as all other vehicles.

COMPLETE NEW VILLA HOSPITAL ON WERNER AVE

Joseph Sarto, Owner, Offers Complete, Competent Service To All

FIFTY PRIVATE ROOMS

Just completed at Vale street and Werner avenue, Daly City, is one of the most modern and well-equipped hospitals on the entire peninsula. This new Villa Sanitarium, owned and operated under the personal supervision of Joseph Sarto, offers to local residents a complete emergency and general service.

With the exterior furnished modernisticaly in white stucco and red tile, the hospital is strictly fire proof in construction. Fifty spacious private rooms, a luxurious lobby, kitchen and laundry facilities, nurses' work room, white tile surgery, and wide halls are the principal units of the hospital. It is surrounded by green lawns and adjacent yards in which convalescing patients may bask in the sun.

Each room is equipped with private telephone, radio connection, toilet, and closets. Thermostatic controlled hot water heating system, indirect lighting, and all steel furniture serve every need and comfort of patients. Adjustable reading and writing tables which fit over the patient's bed and other "convenience gadgets" make each room a paradise in comfort for the ill.

EMERGENCY

Drinker Collins Respirator (iron lung—as it is generally termed), oxygen tents, a complete supply of vaccines and antidotes, an ever-ready surgery, and ambulance are facilities at the Villa hospital which are prepared to meet any emergency.

The iron lung alone has saved five lives in the past few months since Mr. Sarto added it to his hospital equipment.

HISTORY

History of the Villa hospital during the past sixteen years indicates steady progress for the institution. From 1923 to 1929 the hospital was located at 1917 Ashberry street, San Francisco. In 1929 it was moved to San Pedro road, Colma, and ambulance emergency service was inaugurated in 1932.

Work was started on the Vale street and Werner avenue site in 1935. Additional units have been added until now the Villa Sanitarium is prepared to give unequaled hospital service.

ANNUAL REPORT DECLARES NEED OF FOREST AID

Chief Insists Nation Must Aid At Once To Prosper

"The national forests of this country have played Santa Claus too long. Now they need help and must get it if the Nation expects to prosper."

These were the words which came straight from the shoulder of F. A. Silcox, U. S. Forest service, in his annual report for 1938 just submitted to Henry A. Wallace, secretary of agriculture .

Announcement of the report came from Regional Forester S. B. Show in San Francisco. It was learned that the national forest system now includes 175,238,168 acres of federally owned lands in 42 states, Alaska and Puerto Rico. Administered so that all resources may be used as well as renewed, more than 1,250,000,000 feet of timber was harvested from national forests last year, said Silcox's report. These public properties furnish forage for nearly 7,000,000 domestic livestock, help prevent floods and erosion, provide domestic water for 6,000,000 city people, afford food and shelter for more than 1,700,000 big game animals and 1,500,000 fur bearers, have nearly 70,000 miles of trout streams and tens of thousands of lakes and ponds suitable for game fish, provide opportunity for outdoor recreation to 30,000,000 people, and a living for almost 1,000,000. Primeval forest conditions are preserved on 17,000,000 acres of wilderness areas, Silcox announced.

Private Ownership

"The national forest system is large," Silcox said, "but the best three-fourths of all our commercial forest land is in private ownership. These privately owned lands include many huge watersheds, and millions of acres of devastated, tax-delinquent and abandoned forest lands that need rebuilding so they may again support families and communities. There are also many areas within which existing forest industries and dependent communities are threatened by quick liquidation of the basic forest resource. A joint Congressional committee, he said, is holding public hearings with respect to a plan of action involving (1) public cooperation with private owners, (2) public controls over forest lands in private ownership, and (3) extension of public ownership and management of forest lands, in order to make forest lands and forest resources contribute their full share to the security and stability of all our people."

Congress has authorized Federal purchases to help complete State forest systems, with reimbursement by States from receipts coming from the sale of products and use of the lands. But Congress has not yet made the funds available.

Tremendous Aid

"The 767 CCC camps under Forest Service supervision have given tremendous aid in fire protection and suppression, planting, and improving recreational and other multiple uses, looking toward increased efficiency of production and use of public forest properties," Silcox said. "Similar work needs to be extended to millions of additional forest areas."

"Some industrial and other owners of forest lands have made real progress in forest management," Silcox said. "These are the leaders, and credit is due them, he added, for despite competition from less progressive neighbors, they are now redeeming in whole or in part obligations inherent in all forest lands no matter who owns them. But the need for more progress is acute, because a big majority of private owners are still geared to quick liquidation which threatens the stability and even the existence of many communities."

Warning that countries without forests have seldom maintained satisfactory levels of social and economic structures, Silcox added that if forests are properly used they naturally benefit civilizations.

BARKERS HOLD OPEN HOUSE FOR DAUGHTER

Mr. and Mrs. L. Earl Barker held open house at their home on San Diego avenue Thursday evening of last week following the commencement exercises of the Jefferson School district.

The affair was in honor of their daughter Miss Earlyn Barker, a graduate of the Woodrow Wilson school.

Dolores Winant, Acton street, is convalescing from a recent illness. She is now at home.

COLLEGIANS, PROS TO CLASH SUNDAY

The oft-repeated claim of magnates of professional football that the pro game is faster and better than the collegiate variety is due for a severe test in San Francisco on Sunday afternoon, January 29, when the All-American and All-Coast Pro Stars meet Davey O'Brien, the nation's No. 1 varsity star and the West Collegians, in the annual Knights of Columbus and Disabled American Veterans' charity grid classic.

Despite the contentions of the pro backers that their brand of football surpasses that played by the universities, the great major league professional teams have been consistently defeated by all-star groups of collegians. This is borne out by the decisive victory of the Varsity All-Stars, headed by Cecil Isbell of Nebraska, over the then pro champions, Washington Red Skins, with Sammy Baugh passing valiantly but vainly, last August in a benefit game at Soldiers' Field, Chicago; and the year before the varsity all-stars defeated the 1936 champions Green Bay Packers at Chicago.

California Service Reports Job Openings Available

Realizing that the fervent desire of every right-thinking man and woman is a job, the California State Employment service, affiliated with the United States Employment service, is carrying out an extensive "back to work" drive. In cooperation, the Daly City Record each week publishes a list of current job openings and available applicants.

Industrial Openings

The industrial office at 1696 Mission street offers the following job openings:

Power machine operators, both single and double needle are wanted. There are openings for operators experienced on doctors' and nurses' uniforms, and also for operators experienced on tents and awnings.

There is an opening available for a beauty parlor operator between 21 and 35 years of age who wears size 16 or 18 uniform. She must be a good all around operator and no San Francisco following is required.

An exclusive retail store wants an experienced hand finisher on ladies' custom made dresses.

A girl is wanted to be trained to do housework and assist with cooking and serving in a family of five adults. $30 per month.

A practical nurse is wanted to live with and care for an aged invalid. Some experience is required. Two other adults in the family. $30 per month, room and board.

Attractive young waitresses of all types are requested to register with the California State Employment service for present and future job openings.

Applications for these positions may be made at 1696 Mission street.

Applicants

The following applicants are also available:

A-19—Intelligent, refined and attractive girl, 28 years of age, with five years of factory experience as supervisor, inspector and maker of every type of venetian blind, is available. She is capable of selling and acting as a factory representative for a line of venetian blinds. Very competent girl.

A-21—Nice appearing woman of 42 years, who is an experienced fitter, seeks employment in this line of work. She has had about twenty years experience in several of the best San Francisco stores as a fitter. She is a very competent applicant.

A-23—Nice appearing man of 39 years who has had ten years experience in his trade, seeks employment as a fancy spotter. He has had several years experience in this capacity in large local dry cleaning establishments and is a very competent man. Has union affiliations.

Additional information may be obtained by telephoning Hemlock 3800 and referring to the applicant by number.

Commercial Openings

The commercial office at 154 Sansome street offers the following job openings:

An accounts payable hand bookkeeper is wanted. A woman between 22 and 28 who is experienced in this work is required. Salary between $90 and $100 to start.

There is an opening for a woman between 24 and 26 years of age, single, who is an experienced stenographer and a very good typist. She must be able to relieve on the P. B. X. board. Salary $90 per month.

A man with credit experience is wanted as a stenographer. He must be between 27 and 30 years of age and familiar with legal procedure and terminology. Salary approximately $125 per month to start.

There is a permanent position available for a man or woman bookkeeper with a thorough knowledge of general agency accounts. Salary open.

A rating clerk is wanted. A single woman between 20 and 25 is wanted to compute and quote automobile and compensation rates. She must operate a calculating machine and be able to make quick and accurate arithmetical calculations. A pleasing personality, good telephone voice and a liking for this type of work are essential. Salary $80 per month. This is a permanent position.

Applications for the listings by the commercial office must be made at 154 Sansome street.

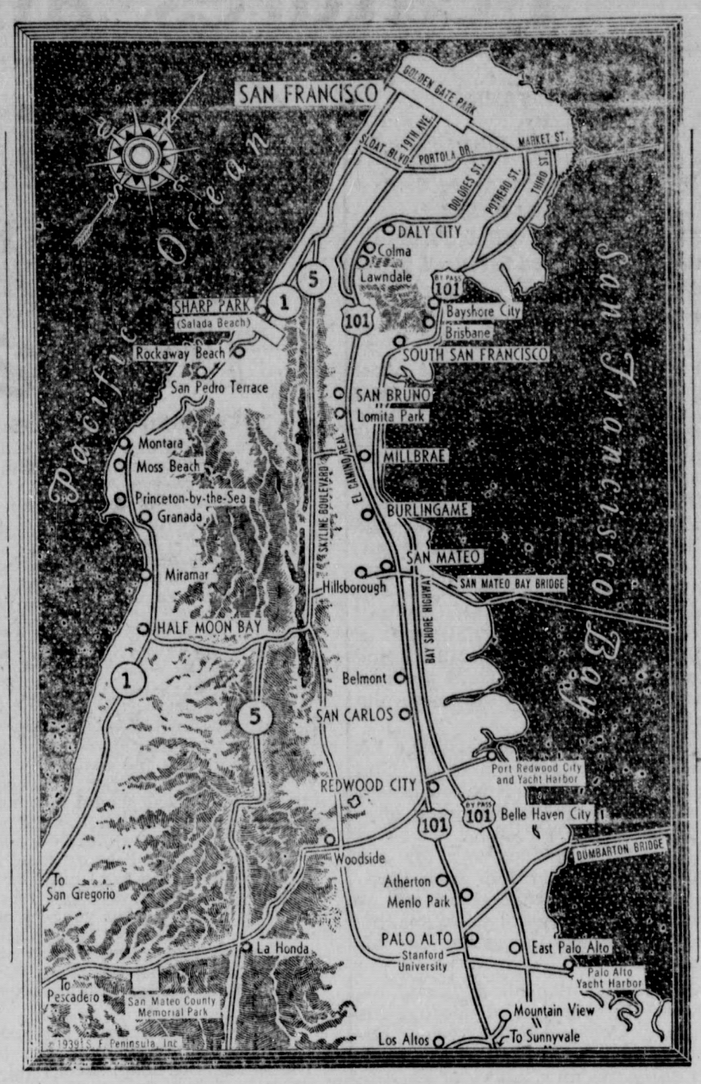
San Francisco Peninsula



Prepared especially for and copyrighted by San Francisco Peninsula, Inc., this new map is the first of its kind, showing the entire Peninsula area, including northern Santa Clara county, with all communities and main highways—as well as principal routes out of San Francisco.

Readers may find it useful to give or send to San Francisco or East Bay friends who anticipate Peninsula visits or who may be prospects for homes in this area. It is suggested that subscribers clip it and preserve it for this purpose, as this reproduction will not appear again in large size in this newspaper.

Most squeeks and rattles in the body of a car can be traced to loose hold-down bolts, according to the Emergency Road Service of the California State Automobile association. A periodical check of all body bolts is advisable in order to insure quietness.

Oil or grease cause rubber to decompose, hence they should never be used on the rubber wedge plate bumpers and stops on the car doors, according to the emergency road service of the California State Automobile association.

ORGANIZE SCHOONER CLUB FOR COUPLES

Last Friday evening a group of married couples from Grace Presbyterian church, Hanover and Evergreen streets, met at the home of Ben and Jewel Crowley to organize the Schooner club. The stated purpose of the Schooner club is to bring the younger married couples into a closer association with the church through social and devotional fellowship. The club will have as its symbolism the idea of casting out in the bark "matrimony" upon the "sea of life." Personnel shall be limited to married couples whose combined ages do not exceed 90 years.

Temporary officers were elected to hold office until the regular election which will take place at the March meeting. Ben and Jewel Crowley are to be the skipper and skipperess; first mate, Ernie and Nora Barazota; second mate, Einar and Mildred Hanson; quartermaster, Art and Alice Braham; purser, Ernie and Alice Swan; steward, Don and Blanche Mann; and chef, Reverend and Mrs. A. A. Mitchell. The meetings are to be held on the second Monday of every month in the social hall of the church.

PROFS, BUSINESS MEN TO TANGLE IN BASKETBALL GAME

When professors and business men tangle on the basketball floor of the Jefferson Union high school gym next Monday night, local fans may expect one of the season's fastest and most hotly contested games.

Opposing sides will be represented by the faculty team of the Jefferson Union high school and that of the Men's club, Daly City recreation department. Both teams have a reputation for hard and fast playing.

Jerry Hull, recreation director, announces that the game will start promptly at 7 p. m.

All construction on the big new hill at Mount Shasta has been completed, reports the touring department of the National Automobile club. Also complete is the 2200 foot ski lift and the four mile long ski trail to the bottom of the lift. End of the construction was timely for, although there was little snow over the New Year's week-end, the improvements are ready for use during the entire 1939 season which is expected to be the most active in the history of the Mount Shasta winter sports.

Open Commercial Illustration School in Daly City

The Pagano School of Commercial Illustration, under the capable direction of Inda Pagano, will be located at 1131 Hanover street, Daly City, for an indefinite period. The school formerly occupied studios at 406 Sutter street, where many successful commercial artists now earning substantial livelihoods received their training.

The Paganos state that they will be only too happy to encourage and develop artistic talent in serious-minded individuals of any age, and as an added incentive to contact them in the next few days, have gathered together complete outfits for the operation of a working studio. These outfits, carefully purchased in quantity by the school, are available at a figure far below retail cost, upon the student's enrollment.

Instruction is purely individual and private, in the specially-designed studio now under construction at the residence of Miss Pagano. Rates are very moderate, depending entirely upon the degree of talent and previous experience of the individual student. Classes will be restricted, as closely as possible, to residents of Daly City, and will start immediately upon publication of this story.

The glass sediment bowl in the fuel line of a car should be taken out and cleaned occasionally, suggests the California State Automobile association.

The world's tallest tree, a 364-foot California Redwood from Humboldt county, will be shown in the Redwood Empire Building at the 1939 World's Fair of the West.

8 p. m.—
Regular meeting, Italian American Citizen's club of Daly City, Little Italy hall, 6229-A Mission.

GRACE PRESBYTERIAN CHURCH HOLDS SERVICE

Reverend A. A. Mitchell, pastor, has announced that a special inspirational meeting will be held tonight (Friday) at the Grace Presbyterian church, Hanover and Evergreen streets, at 7:45 p. m. The meeting is being held under the auspices of the San Francisco Presbytery.

Reverend Ezra Allen Van Nuys, pastor of the Calvary Presbyterian church and former moderator of the Synod of California, will be the speaker.

Two other guest speakers will also address the group, Dr. Fiske and Mrs. Lloyd R. Carrick. The public is cordially invited.

MOTHER LODE AREA

Motorists driving to the Mother Lode area and the snow sports centers in that vicinity, will find all the roads in excellent condition, according to the touring department of the National Automobile club. The route via Stockton and State Highway No. 12, through Lockeford, Wallace and Valley Springs to San Andreas is paved and in splendid condition throughout, as is also the direct route from the San Francisco Bay area via U. S. No. 50 to Manteca and State Highway No. 120 through Oakdale, Jamestown and Sonora.

WEEK-END TRAVEL

Whether planning a cross-country trip in the family car or nothing more than a drive to the corner store, here is a tip from the public safety department of the National Automobile club that may come in handy:

Winter weather makes this month one of the worst of the year for traffic accidents. Pavements are often slippery, rain and fog make it harder to see cars and pedestrians, and more motorists try to drive after two or three drinks "just against the wind and weather." When behind the wheel of a car, the driver should remember these hazards and drive with even greater caution than usual.

Visitors to the General Electric "House of Magic" at the Golden Gate International Exposition will be able to "hear themselves see" and "see themselves hear."

Do you believe that The Peninsula is the ideal place to live? Tell and write others about it. Help attract new families.

SHORT TALKS
By Lloyd E. Ellis

PREPARATION

"Therefore thus will I do unto thee, O Israel: and because I will do this unto thee, prepare to meet thy God, O Israel."
(Amos. 4: 12)

Preparation is one of the most significant words in our language. Adequate preparation must be made before any worthwhile work can be done, or any praiseworthy deed performed in an acceptable manner.

If one is wise, before he begins to build a house, or other structure, he will procure sufficient funds to finish the undertaking; he will secure skilled labor to do the work, and make such other preparation as will insure success in his building. It is foolish for one to go about the doing of anything in a haphazard manner, trusting only to chance to make him succeed.

Likewise, a man cannot serve his Creator in a careless manner. God has always made preparation before formulating any law, or doing anything for his people. John, who was sent to prepare the way for the Christ, is an example of such preparation. Neither is God served or worshipped, acceptably, except his servants prepare themselves for his service.

Man should plan his days and his life for the purpose of serving his Creator, and spend his years endeavoring to do the will of the Lord. In reality, he must make of his life one long preparation to meet his God in peace, and be thus prepared to spend eternity in the light of His presence.

RECORD AD MAN IS PROUD FATHER

Robert "Bob" Keely, advertising representative of the Daly City Record, handed out cigars Monday of this week in celebration of the birth, Sunday, of a daughter, Geraldine Helen.

Mr. and Mrs. Keely make their home in Daly City at 1137 Hanover street. Mother and daughter are at home.

CATHOLIC DAUGHTERS PLAN DINNER

Court St. Mary No. 1155, Catholic Daughters, held their regular meeting Thursday evening of last week at Masonic hall. Grand Regent Evelyn Weckerle was in charge.

Plans were outlined for a dinner to be held in the near future. Elsie Thomson was named chairman and will give a report at the next meeting.

A special trustees meeting was called by chairman Helen Rode, to be held at her home Tuesday evening.

Reverend James Doyle was a guest and spoke briefly.

Many members are planning to attend an initiation to be held by Court Beatrice, Wednesday evening.

Gladys Walden was named chairman for the next whist to be held Thursday evening, February 2 at Masonic hall.

Following the meeting the members adjourned to the social hall where refreshments were served.

JEFF HI 130'S BEAT BALBOA BASKETEERS

On Monday evening Jefferson's mighty 130's met Balboa's basket-tossers. Balboa, favored to win because of experience and supposedly better material, was taken completely apart by a smooth fighting Jefferson machine. Coach Biggs did not substitute one man because his combination was making good. Dick Millet played because it was not a league game; the Palo Alto game was his last. He will be sorely missed by the team and the school.

Bob Savelly played one of his best games, scoring 12 points to hold high point honors for Jefferson. Ford, Doyle, and Razzari scored 4 points each. Millet made two points. For the visitors Tiny Irvine led the scoring with 11, and Jim Tomasello next with 7. At the end of the third quarter, Jefferson held a nice lead of 7 points. But Balboa came to life and finally started to click and scored 6 points. While Jefferson tried for the first time their new stalling offense which almost proved costly.

The final score was 27 to 26 in favor of the Jefferson Indians.

The old red-green-amber light combination has been augmented by special turning arrows in a great many cities, according to the touring department of the National Automobile club. The new arrangement is sufficiently explicit that no one need be confused coming across such signals for the first time. The point for motorists to remember is to be on the look out for the signals.

NOURISHING LUNCHEONS

A busy morning, and the hands of the clock warningly point to a quarter of twelve.

That brings up the question of what shall we have for lunch? Far too often, if she is by herself, Mrs. Homemaker compromises with a cup of tea and a snack or two handy in the refrigerator. If there are children, a sandwich and a piece of fruit may be the order of the day.

As a matter of fact, however, the midday meal should be nourishing and substantial though not too heavy. Young children should always have their heaviest meal in the middle of the day, and school children should have a hot lunch all during the school year. Even mother will find her work goes better and that evening finds her less fagged, if she, too, takes time for a nourishing and attractive lunch.

* * *

About as fine an everyday luncheon combination as can be had consists of soup, salad, and a dessert. There is practicaliy no limit to the variations that can be made on this basic menu.

Cream soups, in particular, are recommended as being wholesome, economical, and easy to prepare. One such soup that is deservedly popular features the ever-useful peanut butter.

PEANUT BUTTER CELERY SOUP

1 cup diced celery
½ cup diced onions
2 tablespoons butter
4 cups milk, scalded
4 chicken bouillon cubes
2 pimientos, minced
⅛ teaspoon pepper
¼ cup peanut butter
½ cup cold milk

Slowly sauté celery and onions in butter until lightly browned. Add to milk in top of double boiler. Add bouillon cubes, pimiento, and pepper; cook, covered, 15 minutes. Place peanut butter in bowl, add cold milk gradually, beating with rotary beater until smooth. Add to soup mixture and heat thoroughly. Serve with sautéed or toasted croutons. Serves 6 to 8.

If a lighter soup is desired, substitute water for milk in the foregoing recipe. The milk soup will, of course, have the greater food value.

* * *

Another luncheon soup that the children will welcome because it includes their old friend, peanut butter, is Peanut Butter Corn Bisque. This, too, is most wholesome and nutritious, since it introduces additional milk into the diet, and both the peanut butter and the corn are high in food value.

PEANUT BUTTER CORN BISQUE

3 cups milk
1/3 cup peanut butter
1½ cups cream corn
1 tablespoon butter
1 teaspoon onion salt
⅛ teaspoon pepper
¾ teaspoon salt
1 pimiento, minced

Add milk gradually to peanut butter, beating with rotary beater until smooth. Add remaining ingredients. Cook over boiling water 20 minutes. Serve with sautéed or toasted croutons. Serves 6.

* * *

Simple salads that the whole family will enjoy are excellent supplements to the soup course for luncheon. Therefore, several jars of different salad dressings, such as mayonnaise, French dressing, and Thousand Island dressing, should be kept on hand to give variety. A jar of shelled English walnuts will also help. Waldorf salad, made from chopped apple, celery and the walnuts, mixed with mayonnaise, is always popular. Another good combination is chopped cabbage, grated carrot, and shredded pineapple with French dressing.

* * *

Next time you bake a pie, make a little extra pastry, wrap it in wax paper and keep it in the refrigerator. Then some day when you want to give the family or unexpected guests an extra treat for dessert at lunch, it will be a matter of only a few minutes' work to make some delightful little jam tartlets that will quite steal their hearts away.

JAM TARTLETS

Roll out plain or flaky pastry, cut with a biscuit cutter, to fit into tartlet tins, and fill each tartlet with jam, such as strawberry, plum, or raspberry. Twist two narrow strips of the pastry and place them crosswise over each tartlet. Bake in a hot oven (450°F.) for 20 minutes.

CIVIC PROGRESS

By Mayor Selmi

TRANSPORTATION

Our proposed bus system has finally received the approval of the City of San Francisco. This means that as soon as arrangements can be made, busses will be rented and operated for a practical test. We expect to make this crucial investigation within the next few weeks.

Paul G. Selmi

The continuation of this service for the people of Daly City depends upon its being self-supporting, of course. Hence, it is up to all of us to really pull for the new service.

Indications are that the bus plan would cut the traveling time between Daly City and Fifth and Market streets, San Francisco, in half.

Faster commuting for our people has been the hope of all civic leaders for some time. Now, it looks as though this hope may be made an actuality. Naturally, this depends upon everyone's cooperation and patronage.

I want to thank the Daly City fire department for their offer of support in bringing our transportation project to a reality. We have taken a very effective step toward better transportation service; it needs now be followed up with vigor and tenacity.

Everyone who has ventured the slightest repair to the car remembers at least one occasion when the best efforts of the screwdriver failed to budge the recalcitrant screw, according to L. G. Evans, general service manager of the National Automobile club. The next time this problem is confronted, it may be found helpful to apply a wrench to the flat part of the screwdriver. It gives greater leverage than otherwise is possible.

LOCAL SEA SCOUTS GET TO USE DIVING EQUIPMENT

Sea Scout Ship No. 149 of Daly City now has at its unlimited disposal complete deep-sea diving equipment. Necessary arrangements have been made with Mr. John Whitelaw, an internationally known diver. The equipment is in perfect condition and is entirely complete, including the many-layered, pure silk diving suit, three helmets, weighted shoes, belt, compressor, through which the diver receives his air supply, and lastly the sending and receiving set, enabling diver and tender to communicate. Other accessories such as knives and tools were also included.

Mr. Whitelaw has had many years experience in diving. He has been employed by the government and by various companies to do salvage work on sunken ships and to do other adventurous jobs below the sea.

In addition, Mr. Whitelaw is giving weekly instruction to the sea scouts, teaching them the fundamentals and techniques of diving. He explains the dangers, which are very rare, and his descriptions frequently become exciting stories of his encounters. One of his last dives in this suit was to a depth of nearly 300 feet. After the lessons are over the process of diving will be demonstrated and then the Sea Scouts will have a chance to dive.

The sea scouts declare this a wonderful opportunity and intend to learn all they can, for perhaps in the near future they will be able to render service to local persons who need it. It is probably safe to say that Ship No. 149 is the only Sea Scout unit in the country to have the free use of deep-sea diving equipment.

Resurfacing operations underway on the Redwood highway between Cloverdale and Hopland have been shut down and will be resumed sometime in April of this year, according to the touring department of the National Automobile club. It is expected that resurfacing, after resumption of the work, can be completed within thirty days.

Christian Science Lesson Sermon

CHRISTIAN SCIENCE CHURCHES

In all Christian Science churches, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachussetts, a Lesson-Sermon will be read Sunday, January 29, on the subject "Love."

The Golden Text will be: "How excellent is thy loving kindness, O God! therefore the children of men put their trust under the shadow of thy wings" (Ps. 36: 7). Bible selections will include the following passage from I Corinthians 13: 11-13: "When I was a child, I spake as a child, I understood as a child, I thought as a child: but when I became a man, I put away childish things. For now we see through a glass, darkly; but then face to face; now I know in part; but then shall I know even as also I am known. And now abideth faith, hope, charity, these three; but the greatest of these is charity."

A passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will also be included, which reads as follows: "Love for God and man is the true incentive in both healing and teaching . . . . Love is priestess at the altar of Truth. Wait patiently for divine Love to move upon the waters of mortal mind, and form the perfect concept" (p. 454).

TROOP NO. 149

Cubs, Scouts, and Sea Scouts of Troop No. 149 all met together last Monday night at Firehouse No. 5 on Bellevue avenue. The combined meeting was for the purpose of instruction and entertainment. The guest was John Whitelaw, the diver who is giving the Sea Scouts the use of his diving equipment. He was invited to this joint meeting to tell the boys in the three units all about the diving suit and to answer any of their questions. After these were answered Mr. Whitelaw told of his many adventures in the exciting business of diving, for he has spent many years at it. His tales were very exciting, the boys report.

BOY SCOUT TROOP No. 141

Court of Honor for Troop No. 141, planned for this week, had to be postponed because of other activities at the church. The court will be combined with the troop's annual father and son banquet during Boy Scout week.

DEEP PURPLE COMING

The February issue of the troop paper will be out on time, it is reported. Most of the material is in and printing has started already. It will feature a message of greeting from John L. Tilden, local council executive, on the front cover. An airplane design drawing by Cub Frankie Devlin will be one of the high spots in the cub section. Scout Kenneth Claussen, editor-in-chief, will have an editorial on Boy Scout week. There are still a few copies of the first issue on hand for those who failed to get one.

Scouts and Cubs of Group No. 141 are to be the first units to use the new exhibition space at Boy Scout headquarters, 755 Market street.

CUB PACK No. 141

Den No. 3 has practically finished its den house and is engaging in a number of activities. Their den mother is interesting them in the making a garden. Peanuts and ground almonds are among the novelties to be tried.

Den No. 2 is still without a den mother but has recently been given a chief in the person of Scout Robert Russell.

Den No. 3 is swelling its membership list quite a bit of late. In fact a new den has had to be organized in their area. The new den will be known as Den No. 6. Jackie Watso is to be its first denner and his mother will be den mother. Cub Jackie with the help of his brother Jimmie, (too young to be a cub yet) is enlisting and training new members at a very rapid rate.

Den No. 4 with Scout John Mosman as its new chief is getting under way and has all indications of developing into a very active group. Their weekly meeting had to be postponed from Monday until Friday this week.

Den No. 5 is showing a lot of enthusiasm in craft work lately. The den chief, Scout Kenneth Claussen, is directing a project of wooden velentines. Kennie says that it has nothing to do with a heart of stone! Mr. Gustaf Sterner, den dad, has begun the construction of a work bench for the den house.

California Leads Nation In Enrollment

The University of California, with 24,809 full-time students, has the largest enrollment of any college or university in the United States. The Berkeley campus alone, with 15,633 students, tops all other institutions of higher learning in the nation.

This is the story told in a recent issue of "School and Society" by President Raymond Walters of the University of Cincinnati.

Among the ten largest institutions of higher learning in the United States were the following: University of California (Berkeley), 15,633; University of Minnesota, 15,148; Columbia University, 14,980; New York University, 14,257; University of Illinois, 13,872; Ohio State College, 13,148; University of Michigan, 11,475; University of Wisconsin, 11,438; University of Washington, 10,393; and the University of Texas, 9,776.

U. C. L. A. ranked thirteenth with an enrollment of 7,911; while the University of Southern California was fortieth with 5,043 students.

Other western schools included: Oregon State College, 4,254; Stanford University, 4,135; Washington State College, 3,828; University of Oregon, 3,315; University of Arizona, 2,612; and the University of Montana, 1,939.

Bobby Wall, son of Mr. and Mrs. Bob Wall of Evergreen avenue, has been confined to his home with measles the past week.

Mr. A. W. Sadler, Risel street, left Thursday evening for Denver, where he will spend a week on business.

CROCKER P. T. A. PLAN MANY ACTIVITIES

Those who represented Crocker P. T. A. at the district meeting last Friday in Burlingame were Mrs. Virginia Davidson and Mrs. Hazel Cassasa. The unit was also well represented at the Daly City conference; almost the entire executive board were present. At the lunch hour the ladies took a pot-luck lunch to the home of Mrs. Laura Larson on San Diego avenue and spent an enjoyable hour together.

Mrs. Julia V. Jordan and Mrs. Orvilla D. Pauw attended the Publicity Book conference in Burlingame on Thursday of this week. These two ladies, together with Mrs. Davidson and Mrs. Otha Kinsey, will attend the Publicity luncheon Tuesday of next week at Burlingame.

The regular meeting of the Sew and Sew Club will be held at the home of Mrs. Prescott, 315 Peoria street, Thursday of next week. Mrs. Florence Thorsen will be the hostess. Mrs. Kinsey is to start the lessons on Taxation again at that time. The ladies will meet at 10:30 a. m. and the Taxation study class is scheduled to convene at 11 a. m. Members are urged not to be late.

All members of Crocker P. T. A. are invited to attend the meetings of the Sew and Sew Club, which meets every other Thursday.

"If you are not a member of Crocker and your child is in Crocker school, come and get acquainted with the members at the next meeting, February 14, at 8 p. m. in Crocker school. This will be the Founder's day meeting, an excellent time to get acquainted. Bring dad also and let him see what the P. T. A. is doing," urged the ladies of Crocker P. T. A.

Barbara Lee Delucchi, Oliver street, returned to her home this week from St. Helena, where she spent a month as the house guest of her maternal grandmother.

NEWS
OF THE SCHOOLS AND P. T. A. ACTIVITIES

APPOINT R. L. CRANE TO COUNTY BOARD

Superintendent R. L. Crane of the Jefferson Elementary School district has been appointed a member of the San Mateo County Board of Education.

Mr. Crane has been in the administrative field of education for the past seventeen years. He came to Daly City just after the death of W. J. Savage, the former district superintendent. Mr. Crane has been in the services of the Jefferson School district since May, 1931.

JAYSEE MOTHERS

Mothers' Club of San Mateo junior college held their regular meeting yesterday (Thursday) at 2:30 p. m. in Julia Beynard hall, San Mateo.

Mrs. M. March was guest speaker. She discussed "South America" and exhibited souvenirs from that continent.

General Pershing PTA Give Party

Mrs. Ilda Marquis, president, Mrs. Amelia Siino, recording secretary and Mrs. Marge Woodside, publicity chairman represented General Pershing P. T. A. at the regular meeting of the seventeenth district held last Friday in the Burlingame high school.

A graduation party was given at General Pershing school on Hanover street last Friday afternoon honoring the 28 students graduating from the primary grades and entering Crocker school. Mrs. Sarah Nordgren was chairman, assisted by the mothers of the graduates. The children were entertained with games. Refreshments were served.

The cafeteria at the school is still in full swing with a well balanced lunch being served for a small fee. Mrs. Sadie Welsh, chairman, would appreciate the services of any mother who would care to assist with this work.

A Life Membership card party was held at the school, Wednesday afternoon, with Mrs. Marge Woodside acting as chairman assisted by Mrs. Ann Lucas.

Mrs. Ann Lucas will be hostess to the sewing circle at their next regular meeting, Wednesday afternoon of next week, at her home, 448 Irvington street. All members are invited to attend. The executive board will also meet on Wednesday afternoon at Mrs. Lucas' home.

Jaysee Fall Term Closes Tonight

San Mateo junior college closes its fall semester tonight (Friday) with the sophomore formal dance. The annual January event will be held in the Empire room of the Sir Francis Drake hotel in San Francisco.

Fifty-five students are now candidates for graduation. In addition 20 others may qualify if they complete needed requirements. The January graduates receive their diplomas in June with the spring semester graduating class.

The new college campus recently received a number of plants from the Burlingame and San Mateo high school grounds.

Tonight the junior college will enter a mile relay team in the Pacific Athletic association indoor meet in San Francisco. The Mateans won the race last year and hope to repeat in their class this year.

The Adult center, the evening part of the junior college, boasts a 15 per cent increase over the same period last year. At the present time more than 1400 adults are affiliated with the Adult center courses and more newcomers are reporting steadily.

The Peninsula forum, meeting Monday, January 30, at 8:15 p. m. at the college, will hear J. Herbert Geoghegan, former supervisor of education at the McNeil Island U. S. penitentiary, talk on "Crime and the Criminal in America." The forum talks are open to the public.

Entrance examinations will be given new students tomorrow (Saturday) at the college, while registration of old students will take place Thursday, February 2. Enrollment of new students will occur Friday, February 3. Class work for the new term starts Monday, February 6.

Mr. and Mrs. J. L. MacCarthy and sons, Bellevue avenue, spent last week-end at their country home, Bellevue Heights, in San Benito county.

George Cordelos, Oliver street, returned to his home on Thursday of last week from St. Mary's hospital, where he has been under treatment for a broken wrist.

BAYSHORE P. T. A. HOLD WHIST PARTY

Bayshore unit of P. T. A. held a whist party Thursday afternoon, January 26, in the school auditorium. The funds from these whists are going to replenish the general fund. Another whist will be held next week; notices will be sent out announcing the exact date.

Mrs. Idaho Gaines and Mrs. Beatrice Jeppesen attended the seventeenth district Publicity Conference, Thursday, January 26, at Burlingame.

Mrs. Gaines and Mrs. Jeppesen will be delegates for Bayshore unit to the annual press luncheon of the seventeenth district, January 31.

LOCAL POLICEMEN ATTEND FUNERAL

A group of six local police officers attended the funeral services of their brother officer, Herman Flischman, who was killed near San Carlos on Sunday morning.

Among the 80 officers of the Peninsula police present were Chief of Police A. L. Hilton, Sergeant W. Sunderland, Edward Ford, William Bolger, Arthur Dalton and George Hapman.

Mr. and Mrs. H. A. McHugh and family, Oliver street, attended a birthday dinner in Oakland given in honor of Mrs. S. A. McHugh.

California Congress Plans Press Lunch

"School Daze" has been chosen as the theme of the seventeenth district, California Congress of Parents and Teachers, Inc., "Press Luncheon and Hi Jinx" to be given on Tuesday, January 31, at 1:15 p. m. in the auditorium of St. Catherine's school, Burlingame. An annual event, "Press Luncheon," is given by the district in honor of the Press throughout San Mateo county.

Gayiety and informality will be the keynote of the affair, it was announced as committee members met recently at the home of Mrs. W. G. Fuhr of San Mateo drive. Plans were laid for skits, songs, features and decorations in keeping with the "School Daze" theme.

Members of the Press luncheon committee include Mrs. R. E. McLean, Mrs. W. G. Fuhr, Mrs. A. F. Hollingsworth, Mrs. Mary Coad, Mrs. Edward Simpkins, Mrs. E. D. L. Wrentmore, Mrs. W. L. Ronald, Mrs. C. M. Bandtel and Miss Victoria Roussell.

Seventeenth Dist. Considers Child Delinquency

"Juvenile Delinquency" was the main topic of discussion at the regular meeting last week of the seventeenth district, California Congress of Parents and Teachers, Inc. Edward M. Leonard, of the San Francisco district attorney's office, was the guest speaker. Mr. Leonard stressed the need of a procedure which excludes spectators from trials where children are involved.

Mrs. B. D. Ralston, president, brought news of the recent State Board of Managers' meeting, at which time it was decided to support and endorse two legislative measures concerning child welfare. One measure providing for special education of the mentally handicapped child; the other authorizing cities, counties and school districts to make provision for community recreation. The State board hopes that these measures, if enacted into law, will go a long way toward the prevention of juvenile delinquency.

Mrs. W. A. McGill, chairman of the Peninsula Motion Picture council, spoke of "The Educational Force of Motion Pictures," and John Barrett, deputy state fire marshal, showed two motion pictures depicting hazards of home cleaning and the danger of fireworks.

Parental Conferences

Mrs. L. H. Bissett, parent education chairman, announced the inauguration on February 1, of eight weekly parental education conferences. James Tormey of the San Mateo junior college explained that the main purpose of the sessions would be the understanding of children of elementary, high school and junior college age groups. The program will be developed by speakers, seminars and panel discussions. First guest speaker will be Dr. John Conrad Almack.

Mr. and Mrs. Milton Weckerle, Vista Grande avenue, were among the guests at the christening reception of Mr. Weckerle's nephew, Donald, in Burlingame last Sunday.

Mr. and Mrs. Grant Williams, Woodrow street, are entertaining as their house guest Mrs. T. A. Ord, Salt Lake City, Utah.

Colma News

by Eleanor Price

Miss Florine Capurro, Chester street, entertained Tony Pezzi and George Garabaldi Sunday. The young men motored from Stockton where they attend the College of the Pacific.

The Ladies Home club, Colma, held a whist party on Tuesday afternoon. Mrs. W. N. Fuchs was the winner of the first prize and Mrs. Albert Silicani won the pillow case raffle. Refreshments were served after the game.

Carter Callen returned to Moraga on Sunday afternoon where he is attending St. Mary's College. His brother, Thomas jr., is a student at Sacred Heart College, San Francisco.

Mrs. John H. Price, junior past president of the 1933 Warder's association, O. E. S., was chairman of the annual bridge luncheon held by the association at the El Cortez hotel on Saturday, January 21.

Miss Stella Revere and the Misses Josephine and Dina Detresso, Colma, attended a rodeo in South San Francisco on Sunday.

Mrs. Norma Callen spent Sunday in Monterey. While there she spent a very enjoyable time on a boat ride.

Louis Poletti and Al Rata of Colma enjoyed an airplane trip over the Bay region, Sunday.

Silvia Perata and Louie Guisti motored to Santa Cruz Sunday where they visited Charles Camenzind, formerly of Colma.

Mr. and Mrs. Fred Temts, A street, Colma, moved Thursday to their new home in Glen Ellen, Sonoma county.

Friends of Mrs. Adolph Lund, of the Daly City Auto Wreckers, are glad to hear of her improvement in health. Mrs. Lund is in St. Luke's hospital where she is recovering from a serious operation.

Friday, February 3, the U. A. O. D. No. 116 will hold their regular meeting for nomination of officers. Refreshments will be served after the meeting.

A miscellaneous shower was given on Saturday evening at the Barsotti home on Taylor street. The shower was given in honor of Miss Valari Barsotti by her sisters Mrs. William Miller and Mrs. Robert Dorland. Miss Barsotti will become the bride of Ridell Tribou, San Francisco.

Mrs. John Newton and Mrs. H. L. Remington attended the San Francisco County Council V. F. W. whist party on Wednesday afternoon. Mrs. Newton was chairman.

Mrs. Frederick Garabaldi of Baden crossing, Colma, is recovering from injuries she received in an automobile accident at Seventeenth and Portrero streets, San Francisco.

Saturday, January 21, the Club Lido was the gay scene of a dinner dance given by Mr. and Mrs. W. N. Fuchs in honor of their daughter Dorothy's twenty-first birthday. Those attending were Miss Nita Mooney, the Misses Dorothy and Marjorie Fuchs, Messers George Leonard, Victor Sherwin and Jerry De Matei and Mr. and Mrs. Fuchs.

Mrs. Charles Walgamott, Woodland; Mrs. Otto Fruchtenecht, Grimes, and Mrs. Merle Turner, Davis, were house guests of Mr. and Mrs. John Newton last week.

The Colma players who will be remembered for their successful production of the play "Go Easy Mabel" given at the fall entertainment for the benefit of the Holy Angels church, Colma, were entertained at a dinner on Wednesday evening at the Riviera by Reverend James Sorasio. The guests were Elizabeth Cattori, Marjorie Fuchs, Mary Conti, Eleanor Price, David Gaggero, Oliver Granucci, and Henry Biggio of the cast; directors, Miss Mary Belli and Albert Belli and Reverend James Sorasio.

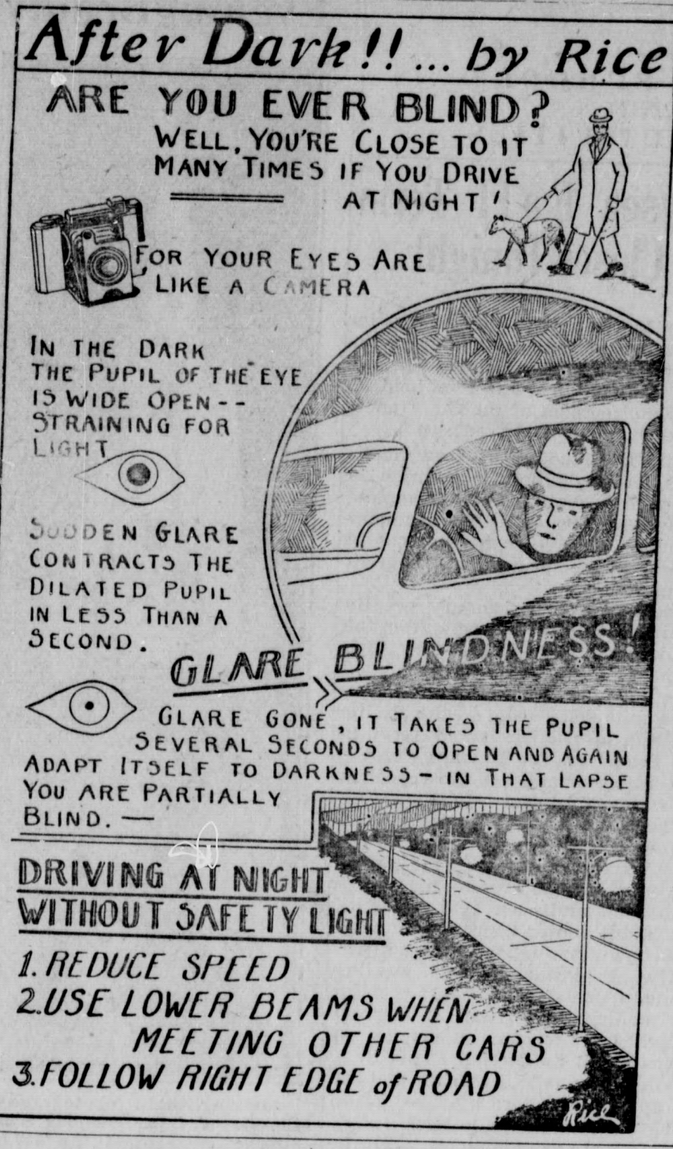
Mrs. A. Hollingsworth and Mrs. H. L. Remington attended the district meeting of the P. T. A. in Burlingame last Friday. They were delegates from the Colma unit.

Lee Firpo, formerly of Colma, has sold Lovchen Garden, on Hillside boulevard, and has moved to Calistoga, California.

Jerry De Matei is enjoying a 1939 Chevrolet which he recently purchased.

Mr. and Mrs. Harold Varni were hosts at the Club Lido on Saturday to about one hundred and fifty guests. The event was given in honor of Mr. Varni's parents who celebrated their sixtieth wedding anniversary.

After Dark!! ... by Rice



ARE YOU EVER BLIND?
WELL, YOU'RE CLOSE TO IT MANY TIMES IF YOU DRIVE AT NIGHT!
FOR YOUR EYES ARE LIKE A CAMERA
IN THE DARK THE PUPIL OF THE EYE IS WIDE OPEN -- STRAINING FOR LIGHT
SUDDEN GLARE CONTRACTS THE DILATED PUPIL IN LESS THAN A SECOND.
GLARE BLINDNESS!
GLARE GONE, IT TAKES THE PUPIL SEVERAL SECONDS TO OPEN AND AGAIN ADAPT ITSELF TO DARKNESS - IN THAT LAPSE YOU ARE PARTIALLY BLIND. —

LIBERALIZE ARMY ENLISTMENT

G. T. Perkins, colonel, C. A. C., district recruiting officer, has announced the amendment of army regulations to permit the enlistment of non-commissioned officers in the Regular Army Reserve in the grade in which they were discharged from the Regular Army.

Perkins said, "Enlistment in the Regular Army Reserve has again been liberalized to permit entry in the grade in which last discharged from the Regular Army.

"Applicants to be eligible for enlistment in the Regular Army Reserve under revised regulations are: 'Less than 36 years of age whose last discharge from the Regular Army was honorable after at least one year of continuous service therein, and who are otherwise qualified for reenlistment in the Regular Army'."

CALIFORNIA SPEAKS!

Significant Statements By Interesting Californians

Father George A. O'Meara, San Quentin prison chaplain—"Very few men who have practiced their religion come into prison; and the principal rehabilitation remedy is religion."

George Stout, State Liquor Administrator—"My advice to bartenders who really want to obey the law and reduce liquor sales to minors and to obviously intoxicated people, is this: 'Do not rely on inferences favorable simply to the cash register'."

Elsa Maxwell, famed party-giver—"Cafe society is a figment of the imagination pursued by people who have no homes and no friends."

Mayor Bowron, L. A.—"Petty jealousies between Los Angeles and San Francisco are a thing of the past. Proof is that our citizens are as proud and enthusiastic over the great Golden Gate exposition as San Franciscans are."

Dr. C. A. Pulskamp, physics department Marin junior college—"How vast is the field of discovery yet to be explored by science is brought home by the fact that all resources of chemistry cannot grow a hair on a bald head."

Adela Rogers St. Johns, Hollywood—"Gable is a greater actor than Valentino, for there are as many men as women who will fight their way through mobs to see his pictures."

Tom Mooney—"The men confined at San Quentin and Folsom have more real liberty than the people of Germany and Italy."

Announce Expenditure In California

Donald Renshaw, state director for California for the National Emergency council, made the announcement Monday that from April 8, 1935, to December 31, 1938, $60,813,276.29 was spent by the Federal government in California on highways, roads, streets, and alleys; sidewalks, roadside improvements, bridges and viaducts; and grade-crossing eliminations.

Mr. Renshaw also stated that $49,640,173.98 was expended by the Federal government for public buildings in California, in addition to $63,946.99 on housing projects.

Far West Business In Sharp Advance

California and far western business made another sharp advance during December, according to the business review for that month compiled by Bank of America's analysis and research department.

For the region as a whole, the bank's index rose to its highest level since September, 1937. The gain over November, 1938, was five per cent, and the net increase during the last seven months of 1938 amounted to 17 per cent.

Building Activity

Building activity was seasonally maintained during December. The review discloses that 32 principal California cities issued permits valued at $15,407,294, a decrease of 11 per cent from November but 72 per cent greater than in December, 1937. Residential building also maintained its gains, the value of permits in 11 California cities amounting to $6,281,000, an increase of 87 per cent over the same month a year earlier. For the full year 1938 the value of residential construction in the same cities amounted to $79,114,000, highest annual total since 1929.

In retail business, the dollar volume of department and apparel store sales in California was maintained in December at the same level as the same month the year before, indicating that the volume of merchandise sold was greater because retail prices averaged less in 1938 than in 1937. The same was true generally of the entire far west.

HOSPITAL REPORTS

VILLA HOSPITAL

Bobby Hamilton, age 6, 161 Bellevue avenue, Daly City, treated for injuries sustained when he fell from a playing apparatus on the Acton street playground.

Elmer Payne of the Mission Riding school, Colma, treated for a cut over the left eye.

JUNIPERO SERRA HOSPITAL

Salvatore Casula, an employee on the Raffeto ranch, Colma, treated for bruises and shock, caused when he fell in front of an oncoming automobile at the intersection of El Camino Real and Junipero Serra boulevard.

Theodore Mathews of 268 West Lake avenue, Daly City, suffered a bad cut on left thumb. Treated by Dr. Ring.

George Cordellas, age 12, 209 Olive street, Daly City. Treated by Dr. Drees for fractured and dislocated left wrist. George fell against a bar at the Acton street playground.

Letter Of Appreciation

(Editor's Note—Below appears a letter of appreciation recently received by Chief A. P. Chesney of the local fire department.)

Dear Sir:

Enclosed you will find a small remittance in token of my appreciation of the careful and considerate service with which you handled the fire at our bakery on Monday last, December 12.

I remain very sincerely yours.

Signed:
CHRISTIAN MUNZ.

LICENSE HELD UP

Issuance of a liquor license this week to G. Bartoli and Ernest Lewis who applied for an on sale permit at 6282 Mission street has been held up indefinitely.

Petitioners who opposed the license were to be heard Tuesday. The hearing was not held. Attorney for the petitioners advises that no further action regarding the license will be taken until his clients voice their objections before the State Board of Equalization.

Support the advertising of S. F. P. I. by telling your friends in San Francisco and the East about the advantages of Peninsula life.

Legion Auxiliary Hold Regular Meet

Daly City Unit No. 410, American Legion auxiliary, held its regular meeting on Wednesday evening of last week. Reports of the various chairmen and special committees were given. After the regular routine of business, refreshments were served.

On Thursday evening, January 19, President Jerry Glanville presented the American Legion Auxiliary Scholarship Award to Sam Van Liew. This award is given by the Auxiliary to the most outstanding scholar in the Jefferson school district.

The sewing group met at the home of Laura Larsen Wednesday of this week. Tuesday evening of next week they are to meet at the home of Catherine Foreman on Woodrow street.

At the district meeting which was held in Burlingame, January 13, Alice Reilly, a member of Daly City unit and ways-and-means chairman of the twenty-sixth district, presented the district with a beautiful silk district banner. The next district meeting is to be held at Millbrae, February 10.

The next meeting of Daly City unit will be held on Wednesday evening, February 1. The next monthly afternoon whist will be held on Thursday, February 16, at 2 p. m.

SET JANUARY 30 AS DEADLINE

Officials of the State Department of Employment are urging all California employers to complete payment of 1938 contributions to the Unemployment Fund on or before January 30.

This announcement was made by W. F. French, chief of the Division of Unemployment Compensation, who said that in requesting contributions a day before they are actually due to the state, the department is conforming to a regulation issued by the United States Treasury department.

Treasury officials, according to notice received by French, require payment of all 1938 contributions on January 30 to allow the annual tax credit off-set provided in the Social Security Act.

Notice Of Substituted Trustees' Sale

Whereas, default has been made in the payment of the indebtedness secured by, and in the performance of the covenants contained in, that certain Deed of Trust dated March 24, 1928, made, executed and delivered by WENZEL G. BARTOSCH, Junior, and MARY BARTOSCH, his wife, as Grantor and Trustor, to ELSA I. KRUGER and DOUGLAS A. NYE, as Trustee, and BURCHARD E. KRUGER as Beneficiary, which Deed of Trust was recorded in the office of the County Recorder of San Mateo County, State of California, on April 17, 1928, in Volume 351, page 121, of Official Records of San Mateo County, and

Whereas, by an instrument in writing bearing date the 13th day of January, 1932, and recorded on the 9th day of January, 1939, in the office of said County Recorder, Volume 845, Official Records, page 3, MATIE E. FORBES and THEA S. SEARING were substituted in the place of ELSA I. KRUGER and DOUGLAS A. NYE, Trustee, and

Whereas, said Deed of Trust, the note secured thereby, and indebtedness, was assigned by an instrument in writing bearing date the 13th day of January, 1932, recorded March 4, 1935, in Volume 653, page 8, of Official Records in the office of the County Recorder of the County of San Mateo, State of California, from the said BURCHARD E. KRUGER, said Beneficiary, to F. E. FORBES; and

Whereas, the lawful owner and holder of said Deed of Trust and the debt thereby secured has applied to and directed the Substituted Trustees under said Deed of Trust in writing to execute the trust by said Deed of Trust created, and to make sale pursuant thereto; and

WHEREAS, Notice of Default in the performance of the obligations of the Grantor and Trustor has been recorded as is provided for by law and said Substituted Trustees deem it best to sell said premises and estate as a whole now remaining subject to said Deed of Trust in order to fulfill the purposes thereof.

Now, therefore, notice is hereby given that on Tuesday, the 7th day of February, 1939, at the hour of 10:00 o'clock A. M. thereof, on the public sidewalk in front of 6393 Mission street, County of San Mateo, State of California, MATIE E. FORBES and THEA S. SEARING, Substituted Trustees, will, under and pursuant to the aforesaid Deed of Trust, sell at public auction to the highest bidder for cash in lawful money of the United States, the following described real property, mentioned in said Deed of Trust, situated in the County of San Mateo, State of California, and bounded and described as follows, to-wit:

LOTS NOS. 5, 6, 7, 8, 9, 42, 43, 44, 45 and 46 in Block No. 23 as shown on that certain map entitled "Rockaway Beach in San Mateo County, California, Subdivision No. 1," filed in the office of the County Recorder of San Mateo County December 23, 1908, in Book 6 of Maps at page 53 thereof.

Dated January 11th, 1939.

Notice Of Trustee's Sale

On Monday, the Sixth day of February, 1939, at 2:30 p. m., at the front entrance to No. 309 Ottilia Street, in the County of San Mateo, State of California, BAY VIEW AUXILIARY CORPORATION, a corporation, as trustee, will sell at public auction to the highest bidder for cash, in lawful money of the United States, the following described property situated in the County of San Mateo, State of California, described as follows, to-wit:

Portion of Lots 1, 2, and 3 in Block 13 as designated on the map entitled "MAP OF SUBDIVISION NO. 1 OF SCHWERIN ADDITION VISITACION VALLEY PROPERTY OF SCHWERIN ESTATE REALTY CO. SAN MATEO COUNTY CALIFORNIA," which map was filed in the office of the Recorder of the County of San Mateo, State of California, on October 5, 1908, in Liber 6 of Maps, at page 42, more particularly described as:

Beginning at a point on the southwesterly line of Ottilia Street, distant thereon 58 feet southeasterly from the intersection thereof with the southeasterly line of Rio Verde Street; thence southeasterly along said southwesterly line of Ottilia Street a distance of 28 feet; thence southwesterly parallel with the southeasterly line of Rio Verde Street, a distance of 84 feet to a point distant 6 feet measured at right angles northeasterly from the southwesterly line of Lot 3 in said Block 13, thence northwesterly parallel with said southwesterly line of Lot 3 and distant 6 feet northeasterly therefrom, a distance of 28 feet; thence northeasterly parallel with the southeasterly line of Rio Verde Street, a distance of 84 feet to the point of beginning.

Said sale will be made to satisfy the obligation secured by and pursuant to the power of sale conferred in a certain deed of trust, executed by EDMUND D. HAMLEN, a widower, to BAY VIEW AUXILIARY CORPORATION, a corporation, as trustee, for the benefit and security of BAY VIEW FEDERAL SAVINGS AND LOAN ASSOCIATION, a Federal Corporation, dated December 4, 1936, and recorded January 7, 1937, in the office of the Recorder of the County of San Mateo, State of California, in Volume 720 of Official Records at page 358.

Notice of breach of said obligation and election to sell said real property was recorded on the 27th day of September, 1938, in the office of the Recorder of the County of San Mateo, State of California, in Volume 795 of Official Records at page 470. This notice is given in compliance with the demand heretofore made on the BAY VIEW AUXILIARY CORPORATION, a corporation, as trustee, by BAY VIEW FEDERAL SAVINGS AND LOAN ASSOCIATION, a federal corporation, formerly BAY VIEW BUILDING AND LOAN ASSOCIATION, a California corporation.

Dated: JANUARY 6, 1939.

BAY VIEW AUXILIARY CORPORATION, a corporation,
Trustee.
By LESLIE W. HANSEN,
Secretary.

Camels have been barred as a means of transportation on the grounds of the 1939 California World's Fair, but trains, rickshaws, push chairs and motorized scooters will be available.

THREE GUESSES!... WHERE?

Yes, we grant you, this picturesque vista of majestic sequoias might be limned in the Yosemite, Sonoma, Santa Cruz, Calaveras, Tuolumne, Stanislaus or other counties of California. Actually, however—and you'll have to pinch yourself when you see it in person next month!—it's a bit of an amazing exhibit, now in place, in the spacious State host building on Treasure Island. Constructed by California's efficient State Parks Division of the Department of Natural Resources, this distinctive panorama will be ready for ... an estimated 22½ millions more!—Saturday, February 18, at 10 A.M.

MUSIC-BOOKS-DRAMA

MISSION PAINTINGS TO BE EXHIBITED

Visitors will be given the privilege of viewing the Franciscan Fathers' collection of paintings of the California Missions when The Old Mission Trail on Mission street is opened during the World's Fair Premiere Festival, according to word received this week by the Mission Street Merchants' association from Father Michael Egan of the Franciscan Fathers of California, Santa Barbara province.

"The paintings," said Father Michael, "are authentic reproductions of the California Missions, especially painted for the Franciscan Fathers to form an exhibit designed to interest popular support for the reconstruction and preservation of the early Missions. California Missions antedate and rival in historic value many landmarks of Europe. They should be preserved in their original beauty for the generations to come."

The Old Mission Trail is planned by the Mission district to recapture to Exposition Year San Francisco the old romance and color of the Mission days of the Padres.

How to grow beans in a bathtub will be demonstrated in the $200,000 University of California scientific exhibit at the 1939 California World's Fair.

Two giant palm trees on Treasure Island, out of the 4,000 big trees which help to beautify the 1939 California World's Fair, were donated to the Exposition by Archbishop John J. Mitty.

Notice of Intention to Engage in the Sale of Alcoholic Beverages

January 20, 1939.

To Whom It May Concern:

Notice is hereby given that fifteen days after the above date, the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

101 Italian Restaurant, 7332 Mission street, Daly City, California.

Pursuant to such intention, the undersigned is applying to the State Board of Equalization for issuance of an alcoholic beverage license (or licenses) for these premises as follows:

On sale beer and wine.
On sale distilled spirits.

Anyone desiring to protest the issuance of such license may file a verified protest with the State Board of Equalization at Sacramento, California, stating grounds for denial as provided by law.

BOLLENTINI and GIANNINI.
January 27, 1939.

Guide Reveals S. F. Once Milk Center

San Francisco county led the state in milk production....in the year 1890. This reminder that 49 years ago our great metropolitan area was an agricultural center was encountered by the Federal Writers' Project of the WPA while compiling "California: A Guide to the Golden State," which will be published in March.

Other Farm Notes

Two bad guesses: silk culture was started here in 1853 by L. Prevost of San Jose. Dazzled by the thought that there was "millions in it" the State of California offered bonuses for silk produced. The treasury was snowed under by claims, but the product was extremely inferior, and before the bonus bill was repealed the state till took a severe trouncing.

Tobacco had never done well here, but in the '70's J. D. Culp invented a new curing process which he claimed would render California tobacco world-renowned. Speculative growers rushed in, grew carloads of the weed. Unfortunately the process did not work; the tobacco was still inferior, and many growers lost every cent.

EXHIBIT WATERCOLORS

San Francisco Museum of Art, Civic center, is now showing the third annual exhibition of watercolors produced by members of the San Francisco Art association. The public is cordially invited to review the collection. Preview and reception for exhibiting artists was held on Tuesday evening.

Yosemite Winter Club rink, located near Camp Curry, is declared the largest outdoor ring in the West, according to the touring department of the National Automobile club. Throughout winter season, it is the scene of figure-skating exhibitions, fancy costume ice carnivals, hockey and skating gymkhanas. Music is supplied for skaters.

DALY CITY LIBRARY MAGAZINE SELECTION

In addition to a wide selection of books available to the public, the Daly City Library features a representative group of magazines and newspapers. Current copies of the magazines are kept at the library, but back numbers may be taken out for perusal at home.

Magazines appearing regularly at the library include: Business Week, Current History, Forum, Good Housekeeping, Harper's Magazine, House Beautiful, Hygeia, The Nation, New Republic, News Week, Photoplay, Popular Mechanics, Q. S. T. American Radio, Reader's Digest, St. Nicholas, Scientific American, Time, Scholastic and Vogue.

Newspapers available are the Call-Bulletin, the San Francisco Examiner, San Mateo Times and Daly City Record.

These groups are augmented by frequent gifts of well-known periodicals. However, since these are not always the same and are not received with regularity no specific listing is possible.

WHIST WILL BENEFIT HOLY ANGELS CHURCH

Ladies of Holy Angels church, Colma, are planning to give a card party for the benefit of their church, February 17 in the parish hall. The total income of this whist party will be used to pay for the recent improvements in the church, including the new choir gallery and the painting of all the statues. Many prizes will be awarded. The public is cordially invited to attend.

Priceless jade carvings, mandarin robes, silk tapestries and other treasures of Old China will be on display in the concession village built at the 1939 California World's Fair at a cost of $1,200,000 by San Francisco Chinese.

LOCAL NEWS OF DALY CITY FIELD

Frank Continolo, sr., Evergreen avenue, is now working at Santa Maria, California. He expects to be away about a month.

Miss Sally Watson, daughter of Mr. and Mrs Frank Watson, Evergreen avenue, was heard in a song selection over Radio Station KFRC, last Saturday evening at 8 p. m. She was one of the participants in the Budda's Amateur hour program.

Mr. and Mrs. Daniel P. Curtin, jr., Mission street, were among the guests at a birthday dinner in honor of Daniel P. Curtin, sr., Sunday. The affair was held at the home of Mr. and Mrs. Daniel Curtin, sr., Ninth avenue, San Francisco.

Mr. and Mrs. Milford Le Roy Leekley, 487 Bellevue avenue, are the proud parents of a daughter born January 11.

James W. Foster returned to his home on Peoria street the latter part of last week from the C. C. C. camp at Fresno, California.

Mrs. Dora Harris left Sunday for her home in Canadian, Texas, after spending a month visiting her daughter and family, Mr. and Mrs. James O. Foster, Peoria street.

Mr. and Mrs. Julio Canales, Evergreen avenue, entertained friends at their home Saturday evening. Guests were Mr. and Mrs. Pete Ruiz, Marina district, San Francisco, and Mr. and Mrs. Ronaldo Foppiano, Evergreen avenue.

Mr. and Mrs. Andrew Vireno sr., Mission street, spent Thursday of last week visiting Treasure Island.

Mrs. Rose Lagouri and daughter Mary Lou, Evergreen avenue, Mrs. Angelina Sereni and Frank Hartje were luncheon guests Monday at the home of Mr. and Mrs. Leo Escoloses, Mission street.

A marriage license was issued in San Mateo county this week to Ardell W. Tribou, 28, San Francisco, and Valerie M. Barsotti, 19, Colma.

Mrs. John Rossi, formerly of Acton street, now of San Francisco, is the proud mother of a son born in Mount Zion hospital, Thursday of last week. Mrs. Rossi is the former Patricia Callan.

Mrs. B. Lewis, Winchester street, and Mrs. V. Davidson, spent Wednesday of last week as the guests of Mrs. J. Frazier, now of Oakland, formerly of Hanover street.

Mr. and Mrs. Ferdinand Del Pape, Knowles avenue, are the proud parents of a son born January 10.

Mr. and Mrs. Ralph Haight, Daly City, are the proud parents of a son born January 16.

FREDRIC MARCH VIRGINIA BRUCE ARE CO-STARRED

Gay Comedy Will Play At Daly City Theatre For Three Days

Fredric March and Virginia Bruce romp through the merriest adventures of the year in "There Goes My Heart," Hal Roach's gay comedy romance, which begins a three-day engagement at the Daly City theatre on Sunday, January 29.

The story casts Virginia as a madcap heiress who tries to run out on her fortune and March as a reporter who tries to run out on his boss.

Virginia gives up her yacht for a job in a bargain basement and finds a new world full of walk-up apartments, kind-hearted salesgirls and eccentric motormen.

Then into her life roams the roving reporter and the pair have a barrel of fun eating hamburgers, visiting skating rinks, riding in the subways—and falling in love.

Patsy Kelly

The new streamlined Patsy Kelly heads the supporting cast as the electric vibrator demonstrator who befriends the poor little rich girl, and versatile Alan Mowbray has one of his maddest roles as Patsy's subway motorman sweetheart, who works all night and studies chiropractic by day.

Nancy Carroll returns to the screen in an important featured role, while others who are prominently cast are Eugene Pallette, Etienne Girardot, Claude Gillingwater and Arthur Lake.

Companion feature on the new bill will be "The Storm" with Charles Bickford and Tom Brown.

Jefferson Union Hi Basketeers Lose

On Friday, Jefferson played host to the Palo Alto Hoopsters. Jefferson went down to defeat at the hands of a rugged Palo Alto five, 9-41. Outstanding for Paly was Grant Denmark, 6 foot 4 inch center, scoring 14 points to hold high point honors for the Vikings. Joe Nicoletti held the honors for Jefferson, scoring 3 points. The basketball team played harder because of the splendid support given them.

The Indians of Rhythm under the direction of Dante Lembi played between quarters. The student yell leaders were on hand to arouse school spirit.

VARSITY-BALBOA

Last Monday, Jefferson Varsity played Balboa. Since Balboa is the traditional rival of Jefferson, the basketeers played one of the most rugged games seen on this high school court. The Jeffersonians were full of fight, especially Joe Sutter, who played at center. Johnston and Sutter were tied for high point honors with 4 points each. Harry Ayers made an excellent one handed shot. Bannatyne made 2 points. Brewer and Pearson each sank a free throw.

Balboa's high point man was Captain Frank McIntyre with 9 points. Monte Figarie next with 7 points.

The final score was Jefferson 15, Balboa 34.

Romancing in Gay Comedy

VIRGINIA BRUCE is just a headline — the richest girl in the world— to reporter Fredric March in Hal Roach's "There Goes My Heart," which comes to the Daly City theatre on Sunday, January 29. Then he meets her and —well, see for yourself.

Record Employee To Wed Saturday

Roland Petrocchi, Daly City Record employee, and Miss Agnes Kapor will be married tomorrow (Saturday) morning at 10:30 o'clock.

Reverend James Sorasio will officiate at the ceremony which is to be held at Holy Angels church, Colma. Mrs. Clara Mack will attend the bride, and Ardi Petrocchi is to be best man.

Miss Kapor, who recently was graduated with honors from Jefferson Union high school, is the daughter of Mr. and Mrs. John Kapor, 133 San Diego avenue. Mr. Petrocchi is the son of Mr. and Mrs. Andrew Petrocchi, 180 Santa Barbara avenue.

A Canadian gold nugget, as large as a man's head and worth $30,000, will be among British Columbia exhibits at the World's Fair of the West opening on February 18.

BRIDGE PARTY

Mrs. Myrtle Grasell entertained her bridge club at her home on Bon View avenue, San Francisco, Wednesday evening.

Her guests were Mesdames Verna Borges, Mary Conci, Virginia Webb, Madeline Ferro and Miss Alice Lorenz, all of Daly City; Mrs. Elsie Anderson, Mrs. Ruby Striet, Mrs. Mary Hull, Mrs. Agnes Jakobs and Miss Mae Costello, San Francisco.

WET IGNITION

Wet ignition wires at the distributor and spark plugs are a cause of failure to start in rainy weather, according to the emergency road service of the California State Automobile association. Drying the affected parts by wiping and fanning will usually eliminate the short circuit. There is greater difficulty if the wires are old and in poor condition. Drying can be hastened by spraying with some volatile liquid, such as cleaning fluid or fire extinguisher fluid.

AMERICAN LEGION GIVE WHIST PARTY TONIGHT

Daly City Post, No. 410, American Legion, are holding a whist party tonight (Friday) at the Masonic temple, starting promptly at 8 p. m.

Larry Reilly is chairman of the party. Refreshments will be served at the conclusion of the game.

Miss Ruth Clark Married Saturday

Miss Ruth Clark, Cavour street and Joseph Cunningham, San Francisco, were married Saturday morning at Our Lady of Perpetual Help church. Reverend Father Ryan performed the ceremony.

The bride was prettily attired in white moire taffeta. She wore a finger-tip veil and carried a bouquet of gardenias and lillies of the valley.

Mrs. Veronica Ryan, sister of the groom, was matron of honor. Bridesmaid was Miss Maxine Clark, sister of the bride.

John Cunningham, brother of the groom, was best man. Austin O'Reilly, cousin of the groom, was also a member of the bridal party.

Following the ceremony, a wedding breakfast for eighteen relatives and friends was served at the Cliff House. Mr. and Mrs. Cunningham left by motor for Truckee and Yosemite valley for a honeymoon. Upon their return, they will make their home on Seventeenth avenue, San Francisco..

JEFF HI STUDENTS AID IN DRIVE

Jefferson Union high school students have another record of which to be proud. The "March of Dimes" idea was presented to them by President Dick Millet, and the response was most generous. Over $60 was contributed to the infantile paralysis fund.

Each contributor was given an admission to a special program which was presented last Thursday afternoon.

The participants were: Albert Marcucci, tenor; Bob Nelson, baritone; Kathryn Naylor and Lorraine Vernazza, popular singers of modern melodies, accompanied by the Vernazza twins on the accordians; and the "Indians of Rhythm" directed by that popular swingster, Dante Lembi.

Mr. and Mrs. R. Welch, Hanover street, entertained Mr. and Mrs. L. Zerga Saturday of last week.

Fair Gayway to Have "Greenwich Village"

Plans for one of the largest concessions in the Gayway, amusement zone on Treasure Island, to be called "Greenwich Village," were announced today by a group of four veteran California showmen—John R. Castle, Harry G. Seber, Will Wright and Carl F. Holt. The concession, which will occupy 34,000 square feet of space, and cost nearly $100,000, will be an exact replica of the world-famous Greenwich Village artists' colony and bohemian center of New York City.

A total of 400 people will operate the concession, including 100 of the world's most beautiful feminine models. Artists will be seen at work with actual models and such favorite hang-outs as El Chico's Spanish restaurant, the Village Barn, the Greenwich Village Casino and the Nut Club will be realistically reproduced with all the old-time bohemian atmosphere of the actual Greenwich Village.

Fun, laughter and scenes among the artists and models will be part of the bizarre setting and atmosphere, each part of the concession in itself a distinct feature of the whole.

A tip for easier cold weather starting from L. G. Evans, general service manager of the National Automobile club, is: If the choke on the car is automatic, step on the accelerator pedal several times. If not, pull the choke out all the way before turning on the ignition. Then alternately pull the choke in and out.

WE'RE CELEBRATING THE NEW YEAR

because

GAS HEAT fixed us up fine for Easy Chair Living in '39

Here is a family that gave the New Year a warm reception. They installed Gas Heat on the first rainy day of Fall. And for years to come they will feel like celebrating the warmth, the comfort, the cleanliness and cheapness of Gas Heating.

Low gas rates, improved and automatic gas heating equipment at reasonable prices, make Gas Heating the first choice in California homes today. It is just as convenient and dependable to use as the electric light you turn on by pressing a button. It is always there when you need it—in large amount or small. In sunny summer days it is out of sight and out of mind, yet ready for instant use for the first cold morning or evening. Fix your home for '39 with Gas Heating now. Enjoy Easy Chair comfort without an effort or thought about keeping your house warm. Install Gas Heating in your home now.
